

## Payment Policy

- Growing Home Counseling fees are:
  - \$130/50 minute session
  - \$185/75 minute session
- I often deposit checks same-day through a Mobile Deposit service, so be aware that your check may clear quickly.
- I have a 24-hour cancellation policy, meaning that if you do not cancel your appointment 24 hours beforehand, you will need to pay for the missed appointment. This is simply because I reserve your space and schedule others around it. 48 hour notice is even better!
- Email or phone time longer than 5 minutes is charged accordingly (prorated) at the same rate as session time, due at following session.
